DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lisa Bongiovi (Reg. No. 48,933) on January 30, 2006.

The application has been amended as follows:

Claim 16, line 1, after "system" the word – for – has been inserted.

Claims 54-63 have been cancelled.

Allowable Subject Matter

2. Claims 16-21 and 39-53 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Applicant's August 23, 2006 Amendment and REMARKS provide a clear line of demarcation over the prior art of record. Specifically, the prior art of record, either alone or in combination, does not suggest, nor provide motivation to combine, the recited limitations of the drive motor in relationship to the sheaves, elevator car, belt and elevator door.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew Joseph Rudy whose telephone number is 571-272-6789. The examiner can normally be reached on Monday thru Friday.
